Dear Stephen

Here some days are about 73°, then warm up to 85°, depending each day. Hope that N.Y. relaxed on the weather.

Here's some info from the internet & Calif:

- www.google trailer home
- 30,000 small homes. custom built
- Mobile home trailers repo used OR
- google trailer Parks
- Super Factory Homes
- Google home → search → Gmail or YouTube or Mobile trailer

Some trailers are in Monrovia, Duarte, El Monte or Arcadia, Ca.

Gloria Nursing Home is fair (not fancy). But the electric ~~mad~~ pestering come & go. So I want to move the landscape — or this area.

Here there are more jobs, ~~too~~ some making new jobs. You can do it, and there's different schools.

Call or write about the 'news'.

From me,
Mom
